M 9/7 9.2 Katahdin Stream CG
T 9/8 9.6 Katahdin (includes 4.4 miles down Abol Trail)

- The three Maine hikes are for experienced day hikers only (or backpackers)
- All SmartHikers have to know how to put up a tent/tarp/hammock. We will be camping out if you use the support van.
- You can use your own car if you want except for the Maine hikes
- I also do customized van-supported hikes on other sections in October and November
